

HEAVY DUTY MAGNETS MADE IN GERMANY

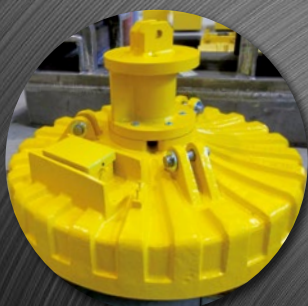

WE LIKE TO LIFT YOU UP

WOKO MAGNET- UND ANLAGENBAU GMBH

is a company with more than 40 years tradition of innovative solutions in magnetic lifting technology. Thanks to numerous pioneering achievements, WOKO is now one of the world's **LEADING MANUFACTURERS OF HEAVY LIFTING MAGNETS AND MAGNETIC SYSTEMS WITH A GLOBAL SALES NETWORK**. Continuous further development of existing products, customer-oriented solutions and quality-conscious employees guarantee first-class products. In 2009 WOKO joined the Swiss based Heppenstall Technology AG who specialises in the manufacturing of heavy duty lifting equipment. This collaboration has significantly strengthened the WOKO market position and **GIVES A SUSTAINABLE INCREASE IN ADVANTAGES AND BENEFITS FOR THE CUSTOMERS.**
